

Welcome to Marbellita

The local shops, including two supermarkets, banks, pharmacy and laundrette can be found at Calahonda.

Basic provisions such as milk and freshly baked bread can be purchased from the Shell Garage at the bottom of the hill.

- FUSE BOX is behind picture, adjacent to front door if lights are not functioning.
- Rubbish to be placed in bins provided at the top of the road.

On leaving the property at the end of your holiday, can we please ask that you:-

- Lock the gate at the back of the patio (where BBQ is kept)
- Let parasols down and bring cushion pads inside
- Empty contents of fridge (unless long life!)

Many thanks and we hope you enjoy your stay here in Cabopino.
